Cell Phone Tour: 604-638-2661

The Vancouver Biennale is outside. You're outside. Probably with a cell phone in your pocket. That's why we've put together a cell phone tour to go with the Biennale. Whenever you see a Biennale sculpture, you'll also see a plaque with a local phone number and a three digit code. Dial the number – it's a free call – and enter the code to learn more about that particular piece. If you're the planning type, download a podcast from [metrocode.net](http://www.metrocode.net) (<http://www.metrocode.net>) and take the tour with your own MP3 player. Dial. Discover. Interact. Enjoy. The Biennale Phone Tour is brought to you by Metrocode.
